

The Cardiff & The Vale of Glamorgan Junior Cricket League 2017 fixture list

This document contains the 2017 fixture list for the following leagues:

- **Under 11B (East)**
- **Under 11B (West)**
- **Under 11A**
- **Under 13B**
- **Under 13A**
- **Under 15B**
- **Under 15A**

Please note that all teams in all leagues play each other once and once only as part of the competition.

In 2017, individual clubs are invited to arrange their own friendly matches ahead of the league fixtures commencing. The result of a friendly match will have no consequence upon the result of League competition matches or upon final placings in the league.

As stated in the 2017 competition rules & regulations, results of all matches must be reported by both teams/clubs to the Fixture Secretary within 48 hours of the match being completed. All results will be added to the Play-Cricket database by the Fixture Secretary. If neither coach/club reports the result in that time period, the match will be regarded as abandoned. A coach/club who does not report a result will gain no points from the match. Matches must be rescheduled if rained off and the Fixture Secretary informed within seven days of when the match is to be replayed. Successfully claimed matches can only be added to the database by the Fixture Secretary. Individual clubs are welcomed and encouraged to add individual players names and statistics achieved in each match.

Some new playing regulations were introduced at the last AGM. These will be applied throughout the 2017 season and all coaches should familiarise themselves with these changes.

Best wishes

Tony Duffy
Chair & 2017 Fixture Secretary.
