

Cardiff & the Vale of Glamorgan Junior Cricket Newsletter

2017 Issue 1

Dear clubs

The first week of the 2017 season has now been completed so it is a good time to send you the first newsletter of the year (hopefully not the last). Most clubs have been very good sending in the results of matches within 48 hours. Some have needed a little prompting but as this is a new approach this year, I have been happy to send prompts during this first week of games. Please can I ask all coaches to send me the final score plus number of wickets. If pairs cricket, you need only send me the score after wicket-deductions have been made (plus the number of wickets taken/lost). Additional player stats data can be entered by coaches onto the Play-Cricket web site in their own time.

If a match has been called-off due to bad weather, please can you let me know if five overs were achieved during the game or not – this affects how a match is entered onto the database and points scored. Please note that rescheduled matches must be reported to me within seven days otherwise the game is entered as unplayed or abandoned (depending upon the number of overs achieved). Unplayed, postponed or abandoned matches may be played later in the season but unless I am informed of the new date within seven days, that match will be regarded as a friendly and will not earn any points. It's all in the 2017 rules so please read them if all of this is a surprise to you.

At the end of week one, it is noticeable that several clubs could not field a team. Please note that Radyr U13B Greens have **withdrawn** from the League due to lack of players. All U13B fixtures against Radyr Greens are now to be regarded as 'byes.'

Very important

Typically, just as our email communication is going so well, I have been informed by my email provider that they are not going to continue providing an email service after May 30th. Therefore, please can you all delete this email address from your records:

duffy@danthony397.orangehome.co.uk and only use this one in future =
a.w.duffy1965@googlemail.com

I will keep my old email active as long as I can and, if I receive any messages by it, I will remind you that it is being terminated soon and point you in the right direction for the new address. Alternatively, you may find it easier to send me match results using text: 07534657323.

Week 1 results

| |
|--|
| U11B West: Round 1 |
| May 8 |
| St Fagans 263/7 lost to Vale 293/3 |

| St Fagans vs Penarth. St Fagans unable to raise team. Penarth to claim. |
| Vale vs Radyr Abandoned due to weather. 1 point each if not rescheduled. |

Contact details

I have attached to the email this newsletter is sent with an updated 'contacts' excel file as some clubs have added/removed/amended some details. Please delete your previous contacts file and use this one.

Finally

All coaches should feel free to contact me should they have any queries although I encourage them to liaise, in the first instant, with your club's junior cricket co-ordinator.

Best wishes

Tony Duffy

Chair

Fixture & Results Secretary
